Technical Notice

09-007

TO: BOX Participants
FROM: Participant Connectivity Coordinator
SUBJECT: **BOX Order Message Allocation Increase**
DATE: May 26, 2009

BOXX is pleased to announce an increase in Order Message allocation effective Monday, June 1, 2009. Participants can request an increase to a maximum of 2000 messages/second on their order entry connections. The new Order allocation program, like previous increases, is an open enrollment, request based program.

To request your Order allocation increase, please contact the Market Operations Center at (866) 768-8845 or by e-mail at BOXMOC@bostonoptions.com. After submitting your request, you will receive an email indicating the effective date of your increase.

Thank you,

BOXX Participant Connectivity Coordinator
