Re: BOX LISTED JANUARY 2005 LEAPS* - CONVERSION TO REGULAR BOX OPTION

Effective Monday, May 17, 2004 the BOX January 2005 LEAPS* that are the traditional January expiration cycle, will be subject to symbol changes whereby the LEAPS* symbols will change to their regular listed equity option symbols. For example, January 2005 Apple Comp. LEAPS*, 'ZAA', will become regular 'AAQ' options

On Friday, May 14, 2004, after the BOX market close, all resting orders for the January 2005 Leaps in the BOX order book will be cancelled by the BOX Market Operations Center. If a BOX participant wishes to enter orders for the newly converted/rolled option series, the BOX participant will need to reenter the orders before the open on Monday, May 17, 2004.

Any additional Cycle 2005 LEAPS added after this memorandum has been published will be shown on Friday's daily memo as "DELETES" in the 2005 Leap symbol, and "ADDS" in the regular January series effective Monday, 17 May, 2004.

Please note: Where codes are changing, they will be indicated by asterisks ().**
